

JOB OPPORTUNITY: JUNIOR GEOLOGIST

Position

Cassiar Gold Corp. requires a hardworking, careful, motivated JUNIOR GEOLOGIST to join our team for the upcoming exploration program at Jade City, BC.

- Logging drill core and supporting all aspects of a busy drilling program.
- Program logistics including sample shipping and supervision.
- Exploration and reclamation fieldwork.

Training and protective equipment will be provided (except boots).

The program is expected to run from late May through October, 2022.

Work will be on a scheduled rotation basis. Meals and accommodation included.

Qualifications

- Degree in Geology or equivalent, with eligibility for EGBC registration.
- Previous exploration experience considered an asset.
- Strong work ethic and ability to stay focused in a busy work environment.
- Ability to work independently, and to collaborate with others.
- Valid First Aid certification.
